Ms. Musielak,

You are no stranger to the child support struggles unfolding since my email dated April 23, 2024, concerning Mr. Thomas Neal. Despite your role as a guardian ad litem and your duty towards the protection of my children's rights, this situation has continued and even worsened unresolved.

As per the Illinois Marriage and Dissolution of Marriage Act (IMDMA), it is obvious that Mr. Thomas Neal's continual neglect of his child support responsibilities undermines the fundamental principle of maintaining the "economic circumstances" - a severe violation of IMDMA and 750 ILCS 5/505.

In your forthcoming report, it is absolutely crucial that you address this recurring noncompliance of child support payments totaling to \$9,000. Your position demands you act in my children's best interests and prevent further harm from Mr. Thomas Neal's negligence.

As you pen your next report, remember - your words carry much more than ink they carry the hope and the wellbeing of my children. My children's future is in the balance here, and your impartial representation could be the fulcrum on which it tips toward justice.

Sincerely,

Mario Cruz Neal
