Good afternoon Mario and Tom,

Per the Diocese of Joliet, and standard social work practice, when parents are separated or divorced, all communication moving forward will be to the both of you via email. This email will be used for communication to the both of you moving forward in regards to [REDACTED] and [REDACTED] and social work services.

Social Work Services - I have received the consent forms from both of you, signed, consenting to social work services. I will see [REDACTED] as needed and [REDACTED] will be seen on a weekly basis. I will provide updates as needed.

In regards to outside counseling/therapy services, when asked about a recommendation, I always refer parents to LifeStance <https://lifestance.com/>

Please let me know if you have any questions or concerns.  
Have a great day!
